

AMKOR NEW PLATTING BUILDING PROJECT GROUNDBREAKING

14 JULY 2023

We are thrilled to share the extraordinary success of the ground-breaking event hosted by Technygroup on July 14th, 2023, dedicated to showcasing the start of construction activity for the AMKOR New Plating Building. This momentous occasion brought together industry leaders, innovators, and stakeholders to witness firsthand the transformative impact of Technygroup's dedication to pushing the boundaries of technological innovation.

The event facilitated networking and collaboration among participants, fostering an environment for knowledge exchange and partnership building. The connections made during this event are poised to contribute to the continued success of the AMKOR New Plating Building Project
